Dear Friend and Supporter:

I hope you are doing well. Since 1945, Apshawa Volunteer Fire Company, has been a dedicated volunteer organization taking great pride in serving not only our community, but also providing mutual aid to neighboring communities, towns, counties, and states, as well as offering fire safety education and prevention programs.

On Saturday, February 21, Apshawa Volunteer Fire Company will be hosting our 2026 Beefsteak and Tricky Tray at the West Milford Elks. This annual event is a critical opportunity for us to raise the funds needed to support our fire company's operations.

We kindly ask for your support by making a donation for our door prizes and contest prizes. Contributions such as gift certificates, gift baskets, or merchandise will help make our fundraiser a success. Your contribution will help ensure that we can continue to serve our community, by providing our volunteers with the latest training and certification, continuing to provide essential services and educating the public about fire safety and preparedness. To ensure your donation is included, please submit it by February 1, 2026.

We greatly appreciate your support and look forward to serving our incredible community.

With gratitude,

Chief Robert C. Kirk
